**Mark Kulaga, M.Ed.** There is something quite special about [Jim Seitz](#) 's Art. If he has time, I'm sure he will come by and answer questions, or respond to any comments.

Congratulations Jim, your art is truly special, and quite worthy of the honor bestowed today. Thank you for being a creator.

**Mark Kulaga, M.Ed.** It was an easy choice. I'm fortunate because Jim engaged me in dialogue, and that is how I was able to find out about his masterful works of art.

I'm thankful and appreciative.
